

Tegfan

Thwaites 1 Ton High Tip Dumper

£POA

- Hi Tip
- Power Swivel
- Hydrostatic Transmission

These are the ideal machines when working in confined spaces or where access is limited. Width options range from 982 mm to 1195 mm for optimum stability and a user-friendly hydrostatic transmission makes operation simple. The compact Hi Tip dumper is an effective and efficient skip loader, ideal in the building of house extensions or property landscaping. The compact Power Swivel dumper enables a 180° rotation of the skip, providing contractors and hirers with additional versatility and improved on-site performance.
